## Why THRO & THRO VASE?

THRO & THRO VASE are easy-to-use fire extinguishers that require no training. It is ergonomically designed to fit in anyone's palm. Available in exquisite patterns, both THRO & THRO VASE add to your home or office's decor while being easily accessible acting as the first line of fire defense in homes, offices, and many such places. THRO & THRO VASE encase a non-toxic, water-based fire retardant solution. When the casing breaks on impact, this solution is released which cuts the supply of oxygen to the fire, dousing it.
