Protect What You Love

**INDIA'S FIRST SELF-ACTIVATED
CAR ENGINE FIRE EXTINGUISHER**

WHAT IS F-PROTEKKT

F-Protekk is an innovative self-activated fire extinguisher designed specifically to douse car engine fires. It fits under the bonnet of any car and has a smart heat-sense technology that gets activated during emergencies. It is eco-friendly and non-toxic which causes no harm to any car parts. Its smart and flexible design makes it apt to be installed in a variety of vehicles.

WHY F-PROTEKKT?

Engine Fire Emergencies cause 85% of the vehicle accidents every year causing loss of property, life, and, most importantly, loved ones. Although traditional fire-fighting equipment is mandatory in vehicles, either it is neglected or difficult to use. Thus, leaving your loved ones and your car's safety to chance. Not anymore
