WHAT IS THRO?

THRO is an innovative, impact-activated fire extinguisher perfect for dousing small indoor fires. It gives you the power to save yourself and your loved ones from fire & make your homes & offices a safer place.

THRO VASE & THRO VASE MINI are indoor fire safety products disguised as aesthetic flower vases designed to douse the in-house fire. Its beautiful design will adorn your spaces while making you fire ready.

WHY THRO?

Thro is an easy-to-use fire extinguisher that requires no training. It is ergonomically designed to fit in anyone's palm. Available in exquisite patterns, **THRO, THRO VASE & THRO VASE MINI** beautifies your commercial & residential decor while being easily accessible, acting as the first line of fire defense. They encase a non-toxic, water-based fire-retardant solution.

When the casing breaks on impact, this solution is released which cuts the supply of oxygen to the fire, dousing it.

THRO, THRO VASE & THRO VASE MINI

are suitable to douse the following types of fires:

TYPE A: Fires involving solid materials such as wood, paper, and textiles.

Cotton

Paper

Wood

Plastic

TYPE B: Fires caused by flammable liquids such as petrol, diesel, and oil.

Petrol / Diesel

Kerosene

Oil
